# BASTARDÔ!

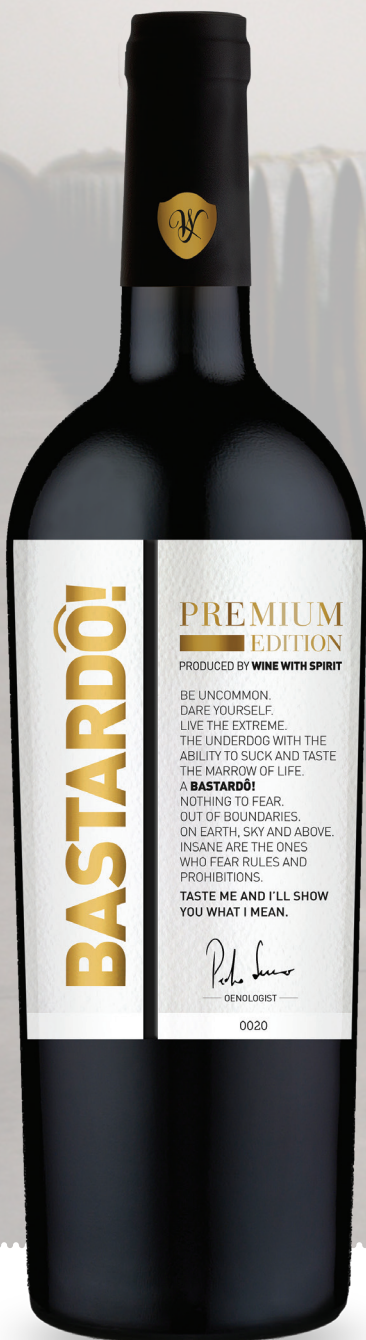

## PREMIUM EDITION

**THIS IS NOT A BOTTLE. IT'S AN AFFIRMATION, A STATEMENT.**

It's a rare privilege to be face to face. Let us make this journey without prejudice. Don't belong to anything but yourself. The road is unusual but the one who yearns, shall encounter exclusivity. Take Chances, question everything but your desire to experience something unique. Taste my words and drink and enjoy a perfect moment of poetic ingestion. This is not a bottle. It's an affirmation, a statement.
